South Brunswick Adopts Emergency Resolution Reducing Rate of Interest to be Charged for Nonpayment of Certain Taxes or Assessments to 0% in Response to COVID-19 Coronavirus Pandemic Emergency

Mayor Charles Carley wishes to advise South Brunswick taxpayers that, in an effort to provide some relief to residents who are suffering economically because of the current state of emergency, the Mayor and Council have reduced the interest to be charged on late payments of taxes and assessments to zero percent (0%) for all municipal tax and assessment charges that come due for the period beginning April 14, 2020, continuing through the period of the emergency and for thirty (30) days thereafter. “As a result of the state of emergency, many people are unemployed or no longer earning a regular income, through no fault of their own. This measure will hopefully provide our residents with some relief during this crisis” Mayor Carley said.
