

As everyone is aware, we are going to be milling and paving Stults Rd. the tentative schedule is:

- We are going to start milling on Thursday May 16th at the intersection of route 535 and Stults Rd. We will be working toward Herrod Blvd. this should take two days to complete.
- On the 20th we are going to switch over to Route 130 side of Stults Rd. working toward Herrod Blvd. we are expecting this to take two days. We will not be repaving the intersection at Herrod Blvd. and Stults Rd.
- On Tuesday the 22th the paving process will start at the intersection of Route 535 and Stults Rd. This should be completed in three days.
- On Monday June 28th we are going start at Route 130 and Stults Rd. We are expecting this to take four days to complete.

Phase one of paving detour

The traffic plan will be as follows:

- While we are working on Stults in-between Route 535 and Herrod Blvd. Stults Rd. will be closed in the east direction. Traffic will be allowed to flow only west bound within the work zone.
- Herrod Blvd. north bound will be closed at the intersection of Thatcher Rd. Traffic wanting to go to Stults Rd. from Herrod Blvd. north bound will be detoured to Thatcher Rd. east bound. Then north bound on route 535 to Stults Rd.
- Traffic coming from Route 130 east bound on Stults Rd. destined for route 535 will be detoured south on Herrod Blvd. and east on Thatcher Rd.
- Herrod Blvd. south bound will be reduced to one lane approximately 750' prior to Stults Rd. (left lane will be closed). Traffic wanting to make a left on Stults Rd. will be detoured to Thatcher Rd.
- Stults Rd. from route 130 to Herrod Blvd. will be open in both directions during this phase.

Phase two of detour.

The traffic plan will be as follows:

- While working on Stults Rd. from Route 130 to Herrod Blvd. Stults Rd. will be closed in the westbound direction. Traffic will be allow to flow only in the eastbound direction within the work zone.
- Traffic destined for Route 130 from Route 535 will be detoured south on Herrod Blvd. to Route 32 west bound then to Route 130 north bound.
- During this Phase Stults Rd. from Route 535 to Herrod Blvd. will be open in both directions.

As always the schedule could change due to weather conditions or other factors. Updates will be sent out as soon as possible.
